Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

We changed your mailing address

We updated your mailing address in our records because the address entered on a tax return or Form 8822-B was different from the one in our records. We will no longer mail notices and letters to the address above. In addition, we sent an address confirmation notice to your new mailing address.

What does this mean

- Our update may be for minor changes in word and abbreviations (e.g., ST instead of Street). We recommend you verify your full address, abbreviations, and zip code using the United State Postal Service (USPS) address look up tool. This will ensure your address meets the mailing standards and avoid minor changes from happening in the future.
- Review your most recent filed returns or Form 8822-B to verify that an address update was required.
- If your address should not have been changed, you can call us at 800-829-0115, visit irs.gov/addresschange for more information or write to us at the address in upper left corner.
- **Caution for employers regarding third party payroll providers:**
 - If we find any issues with an account, we send a letter or notice to your address of record. We strongly caution any employer against changing the address of record to that of a payroll service provider or other third party as it may significantly limit our ability to inform the employer of tax matters involving the business.
 - The employer is ultimately responsible for depositing and paying all federal employment tax liabilities.
 - For more information visit irs.gov/outourcing-payroll-duties.
- Keep this notice for your records.
- Please be sure you (or your tax preparer) always enter your correct mailing address on tax returns in exactly the same way every time you file unless you change your mailing address after you filed your last return.
