## UNLIMITED ACCESS

A 4 day experience led by a Cadre of America's most elite Special Operators. Train alongside active-duty Army Green Berets, Navy SEALs & Marine Corps Raiders at one of the leading training facilities in the nation. Learn their tactics. Wear their gear. Shoot their firearms. Hear their stories. Things that you can't get anywhere else than at the Troops Direct Operator Weekend.

Helicopter assaults? Tactical Rescue & Recovery (TRR)? Sniper takedowns? Close Quarters Combat? Anything can happen at an Operator Weekend and no two are ever alike!

- Come with a group or simply bring yourself. Ladies and gents of all ages and experience levels are welcome.
- Shoot thousands of rounds with the same weapons that our special operators employ.
- When the ranges go 'cold' the lodge heats up with nightly gourmet dining & cocktails...all infused with firsthand war stories told by the heroes that 'went there' and 'did that'.
- Walk away with friends and memories for a lifetime.
